

"BE SENSITIVE DAY"

Honorable Legislators:

My signature to this letter/petition serves as a request for November 1st to be named "Be Sensitive Day" on or before 2010.

I believe a Be Sensitive Day will assist charitable non-profit organizations by bring attention to their missions, efforts and achievements as well as recognition to their donors, sponsors, spokespersons, volunteers and other supporters of humanitarian services.

As a citizens of the United States, I believe we have a responsibility to help bring public awareness to the financial challenges of charitable nonprofit organizations who make a significant difference in the common good and provide voice and value to those most in need; regardless of race, gender, economic status, national origin or other identities.

I respectfully request of you to vote yes for November 1st to be named "Be Sensitive Day", as a national celebration of philanthropy.

Thank you in advance for your time and attention.

Respectfully.
