

"Please Co-Sponsor S. 2766 or H.R. 5949 â€" they are identical bills â€" the "Clean Boating Act of 2008." Committees on BOTH houses have PASSED this BI-PARTISAN Legislation!"

Over 32 Senators are co-sponsoring S.2766, including Sen Barabra Boxer, Olympia Snow, Carl Levin, Dianne Fienstein, Evan Bayh, Arlen Specter, and Chris Dodd. Will you please join them?

Congressman Steve LaTourette of Ohio and Candice Miller of Michigan introduced H.R. 5949, the Clean Boating Act of 2008 and it, too, has been passed by committee. Would you please join them and dozens of other House co-sponsors?

Without passage of this bill before Sept. 15, 2008, Americaâ€™s 13 million boat owners will have to pay for NEEDLESS EPA Permits. This added cost could spell doom for recreational boating which will cost thousands of jobs and add a needless burden to American citizens trying to enjoy their recreation.

Please add your name as a co-sponsor to one of these bills.

Thank you
