

## "Chase Home Finance"

Another Government Avoided Inconvenient Truth!!!

Chase Home Finance is Destroying America. There are Tens of Thousands of us all over the country EVERY MONTH, (This number is going up exponentially) that are being unjustly forced into Foreclosure. I myself represent just one of the many that have had TWO or MORE house payments HELD, or "LOST" as they put it, and used as a means for FORECLOSURE. CHASE Foreclosed on me 12/04/2007, and they found my 3 payments on 12/06/2007. HOW CONVENIENT. Seems my payments went from Phoenix, AZ to Los Angeles, CA to Columbus, OH then back to me UNDEPOSITED. They said they were returned because there was no Account# listed on the MEMO line. Well, my 8 digit Loan# was in plain site on the Memo line. And the letter was opened by my Attorney, so there is the proof that I'm not lying, because I took the letter straight to him, and we opened it together.

( JP Morgan / Chase Home Finance) needs to be investigated for FRAUD, Fraudulent Practices, and Flat-Out Discrimination. This is not just CHASE from what I am hearing, and this kind of FRAUD is not limited to just them. DEFRAUDED out of the American Dream, sad to say, but very true. Tens of Thousands of us are being mistreated for the greed of a corporation. And not a single Attorney I have talked with, and provided the proof to, is willing to take this Monumental Case because of the size of JP Morgan, owner of Chase Home Finance.

When are Corporations too large?? I'll tell you when; it's when the Attorneys refuse to stand up to them, with proof in hand, and take them down!!

I think its time we "Took Back our Country" If you feel the same, put your story on here and lets make some change!!! Pass this web address around to EVERYONE, it is time we stood up, said we aren't going to take it any more, and ACT AS ONE VOICE.

By Attorney Recommendation, I have now setup a Foreclosure Victims MySpace Page, in the hopes of reaching as many people as possible so we can organize our information, seek a reputable Attorney, and SUE Class-Action Style these thieving Mortgage Companies. This is the Web-Address:
