

## "Ask Your Senators And Representatives To Question George Bush's Executive Order"

On July 17th, 2007, George Bush issued "Executive Order: Blocking Property of Certain Persons Who Threaten Stabilization Efforts in Iraq." In a nutshell, this allows George Bush to seize the possessions of anyone who allegedly threatens stabilization efforts in Iraq. This has gone unnoticed by the mainstream media, and needs to be addressed. Urge your representatives to look into this Executive Order, and stop George W. Bush before this gets out of hand. You can read the text of the Executive Order here on the White House website: <http://www.whitehouse.gov/news/releases/2007/07/20070717-3.html>
