

## "Tell Congress That We Want a Code of Ethics For Congress NOW"

We the people expect that our elected officials behave in a manner consistent with integrity and the sacred honor of public service. You are representing us and we expect you to act like it!

We expect that no member of the house or senate will accept any material gift and/or money and/or favors and/or meals or drinks from anyone including lobbyists at anytime.

We expect that any member of the house or senate will immediately resign if arrested and found guilty (and/or pleads to a lesser charge) of any felony criminal offense. We expect that our lawmakers, at the very least, follow the letter of the law.

We have placed our trust in you by electing you to represent OUR voice in OUR government. We expect that you will listen to us and not your peers when such issues arise and cast OUR vote accordingly.

*We have sent 141 letters to Congress so far. Please join us!*
