

"TELL CONGRESS THAT EVERY BILL MUST BE READ"

We The People of the United States of America, want our elected members of congress (house and senate) to pass the following law immediately!

- 1) No bill will be eligible for a vote until it has been READ by every single member of the house and senate.
- 2) No bill will be eligible for a vote until the American people have had five (5) business days to review and comment on it.
- 3) All spending items must include the name of the contributor, the amount of the expenditure, who benefits, and why it's an important expense.

We elected you to be our voice. We are sick and tired of our elected officials IGNORING us!

We have sent 146 letters to Congress so far. Please join us!
