

"NO ACORN INVOLVEMENT IN U.S. CENSUS"

We the People, do not want ACORN involved in any way shape or form with the U.S. Census Department or any other government function!

ACORN is a corrupt entity which should be disbanded and they should have their non-profit status removed, immediately! ACORN committed major voter registration fraud during the election last year and we do not want them contaminating the census!

Using ACORN and/or other organizations that has a long history of corruption gives the appearance that this administration has no respect for the Constitution and/or in fairly representing the American Taxpayer in Congress.

Our census needs to be fair and honest so that the American Taxpayer can be assured of fair representation in Congress as guaranteed under the Constitution of the United States of America.

We have sent 189 letters to Congress so far. Please join us!
