

## "Voters Demand"

It is an outrageous infraction against the Citizens of the United States of America for any judge to conclude that the Voters of our country have no authority or "standing" to demand that the political candidates provide proof of their eligibility to run for office based on the requirements of the U.S. Constitution!

If ours is to be a government OF the people, BY the people, and FOR the people, then the PEOPLE should have the right to question whether a candidate's eligibility for political office meets the Constitutional requirements.

We demand that Congress act immediately on behalf of the voters of the United States of America and provide us with the legal right to challenge a candidate's eligibility in a court of law.

*We have sent 805 letters to Congress so far. Please join us!*
